

Identify Talent Retention Requirement

Advertise the full-time vacancies as a Talent Partnership.

Discover Potential Matches

Short list top talent matches based on the most compatible preferences.

Meet Top Talent Matches

Finalise the top talent matches based on the most successful meet ups.

Create the Talent Partnership

Create a Partnership CV with the most compatible talent partner match(es), and use our resources to set up an effective Talent Partnership.

Interview the Talent Partnership

Adapt the final interview to give the Talent Partnership an opportunity to showcase.
