Ginibee® : Ambassador Dashboard

Ginibee® is a scalable SaaS platform, which helps users to create Talent Partnerships and removes the hassle of matching from HR and hiring managers. Built using a proven matching process, it works by uniquely combining a platform led process with candidate led recruitment interventions, to create matched Talent Partnerships.

Our Ambassador Dashboard makes it easier than ever for companies and recruiters to enable candidates to partner up. Designed to offer value for money, the Ambassador log-in enables companies to have unique access to the Ginibee® dashboard, offering:

- A proven model for successful matching
- New ways to engage with your candidates
- Unlimited Jobshare vacancy posts
- Talent Pool interested in partnerships
- Candidate Talent Match reports
- Resources to support your candidates
- Social sharing
- Ambassador kite mark

Simply complete the form at
